

Book in a Bag Summer Reading Assignment

You need:

The Magician's Nephew

blank gift bag

art supplies

1. Read the book!

2. Decorate the bag:

Front: Write the title and author. Draw a picture of your favorite scene or an important scene. Write a sentence or two about it.

Side 1: Draw pictures of the main characters (3-4 characters) & describe them. Descriptions should be about their character traits (brave, smart, stubborn, etc.), and tell something they did that shows this trait. Write at least 2 things for each character.

Side 2: Draw and explain the setting of the story. Remember, setting is the time and place and can be more than one location!

Back: Write a story summary. Tell about the beginning, middle, and end of the story. This will only be 3 paragraphs.

3. On the **inside** of the bag put at least **5 objects** that represent important things from the story. You can make them, or draw them if necessary. Write a brief explanation of why you chose those objects.

*You may type or write everything.

THIS IS DUE SEPTEMBER 10TH!
